HOME

OLD LUXEMBOURG

Tradition is always modern

Gentle waves, delicate lines and perfect harmony: the Old Luxembourg traditional tableware is the timeless Villeroy & Boch classic and reflects the beginnings of the porcelain factory. The famous rococo motif consisting of blue blossom sprigs, the “brindille”, has been adorning the organic shapes of the Premium Porcelain range ever since. It will add timeless elegance to your table.

MANUFACTURE GLOW

Versatile with a unique look

Manufacture Rock Glow is something very special: matt-structured porcelain surfaces with a black slate look combined with a hand-painted copper shade made from non-metallic special pigments give the iconic trend range its extraordinary look. Can be combined with the entire Manufacture range for an exciting look. Serve antipasti, side dishes and nibbles in this bowl or use it as a decorative object – in any case, it will be a highlight on your table. Treat yourself to distinctive design.
