GOLD

A woman with short brown hair is the central figure, wearing a vibrant lime-green short-sleeved collared shirt tucked into a matching high-waisted, knee-length skirt. A wide, cream-colored belt cinches her waist, featuring a small white handbag with a gold-tone clasp and a pair of white gloves hanging from it. She is also wearing black pointed-toe loafers. The background consists of a wall with large, abstract, hand-shaped prints in muted colors. Below the wall is a decorative border of tiles with a complex blue, yellow, and green floral pattern. To the right, a white metal table and chairs are partially visible. The floor is made of light-colored stone tiles.
